LAUNDRY INDUSTRY

Welcome to Orlichem, a trusted name in chemical cleaning solutions. As a leading manufacturer, we are dedicated to providing high-quality products and innovative solutions for the laundry industry.

Our hospitality division specializes in delivering effective cleaning solutions that enhance the efficiency and performance of laundries in hotels, resorts, and other accommodation establishments.

We offer comprehensive support to industrial and commercial laundries through customized chemical dosing systems and advice, ensuring peak laundry performance and efficiency. These facilities cater to various institutions, such as businesses, hospitals, hotels, and restaurants that manages substantial textile volumes. By utilizing specialized equipment and laundry chemicals, they effectively clean, disinfect, and press items, ensuring proper hygiene and longevity, whilst adhering to industry standards. With reliable, convenient services, industrial and commercial laundries empower clients to focus on core operations, leaving laundry management worries in capable hands.

ABOUT US

Our ethos is straightforward: to promptly offer efficient chemical solutions that elevate your operations and profitability.

Orlichem is a pioneering leader in the chemical cleaning industry. Since our inception in 2008, we have been at the forefront of delivering innovative and flexible chemical solutions tailored to address the unique challenges faced by various industries. Our reputation as a forward-thinking entity is built on our unwavering commitment to our clients, ensuring they receive unparalleled service throughout all facets of their business.

At Orlichem, we pride ourselves on being more than just a chemical manufacturer and supplier. We are your strategic partner in redefining cleaning standards across diverse sectors, including engineering, marine, hospitality, CIP and laundry.

Positioned as a medium-sized, privately-owned entity with specialized production and R&D capabilities, Orlichem stands out in the chemical manufacturing landscape. Our dedication goes beyond providing products; we offer technical expertise, regular on-site consultations, tailored training, and innovative solutions to your cleaning challenges.

With Orlichem by your side, envision a future marked by seamless operations, pristine environments, and unwavering excellence. We are not just your supplier; we are your partner in crafting success and shaping a brighter, cleaner tomorrow.

Ryszard Orlik
Managing Director

ALKALI BOOSTERS

Our alkali boosters are specifically formulated to boost the cleaning power of laundry detergents. They effectively remove tough stains, grease, and soil, while also brightening and revitalizing fabrics. With our alkali boosters, you can achieve superior cleaning results, even on heavily soiled linens and garments. The main purpose of an alkali booster is to increase the pH level of the wash water, making it more alkaline. Trust our products to optimize the performance of your laundry operations and deliver impeccable results.

AQUA-BREAK

Alkali builder and booster for stain removal, complements ADVANCE and other high alkali washing requirements. Handle with care.

5LT, 25LT, 200LT

BLEACHES

Maintaining bright, white linens and uniforms is essential in the hospitality industry. Our bleach products are designed to whiten and remove stains from a wide range of fabrics, including cotton, polyester, and blends. With our bleach solutions, you can effectively eliminate stubborn stains, such as coffee, wine, and food spills and restore the pristine appearance of your textiles. Rely on our bleach products to keep your linens and uniforms looking fresh and vibrant.

AQUA-KLEER

Powerful powdered oxygen bleach for laundry. Safe on all fabrics. Avoid chlorine or acid mixing.
25KG

PERK-UP H

Economical liquid oxygen bleach which enhances fabric brightness. Safe for all temperatures.
5LT, 25LT, 200LT

OXYLITE

Economical powdered oxygen bleach which enhances fabric brightness. Safe for all temperatures.
5KG, 25KG

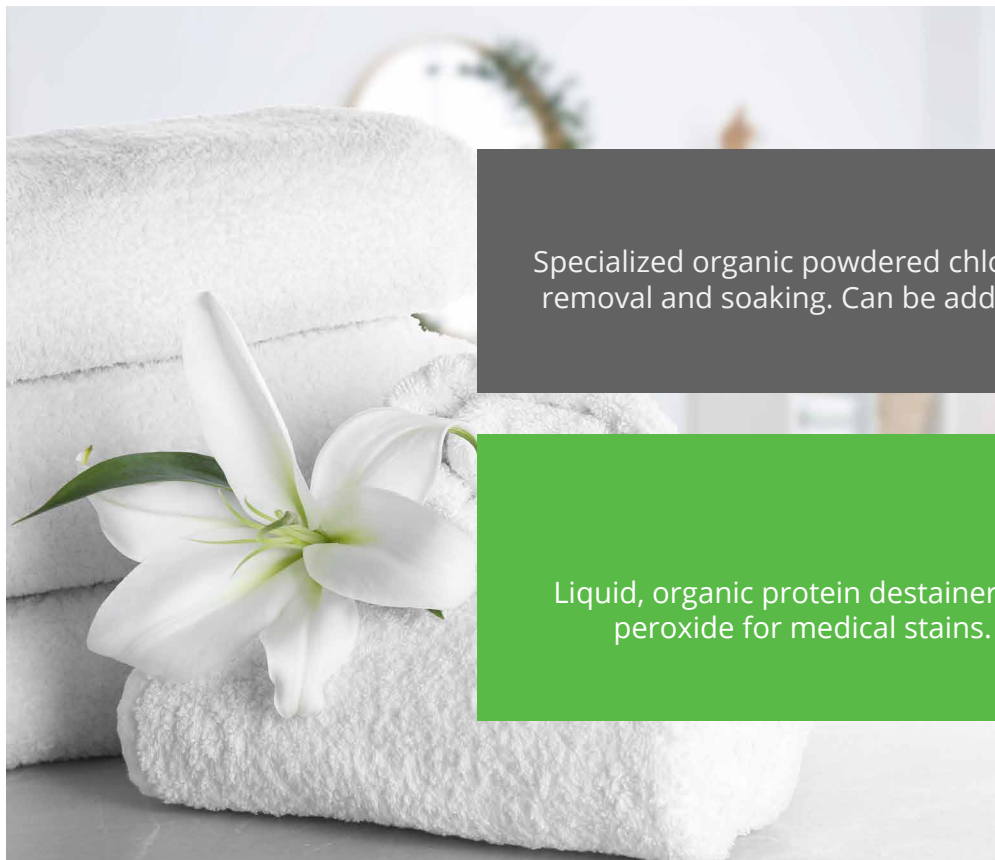

DETAIL

Specialized organic powdered chlorine bleach for whitening, stain removal and soaking. Can be added directly into the wash wheel.
5KG, 25KG

PEROXYSAN

EN 1650

Liquid, organic protein destainer with peracetic-based hydrogen peroxide for medical stains. Effective in dosing applications.
5LT, 25LT, 200LT

FABRIC SOFTENERS

Guest comfort is paramount in the hospitality industry, and soft, luxurious fabrics play a crucial role. Our fabric softeners are specially formulated to add a touch of softness and freshness to your linens and towels. They reduce static cling, enhance fabric drape, and infuse a delightful fragrance, providing a premium experience for your guests. Choose our fabric softeners to ensure that your textiles feel exceptionally soft and inviting.

ATOM-SOFT

Thick, white, fabric softener with pleasant fragrance. To be used with Atom wash.

5LT, 25LT

BIO-SOFT AUTO

Premium sanitizer-infused fabric softener for industrial and larger laundries. Subtle fragrance and eco-friendly.

5LT, 25LT

FAB-SOFT AUTO

Concentrated QAC-infused fabric softener. Subtle fragrance and eco-friendly.

5LT, 25LT

PLEASE NOTE: You may request TDS & SDS from www.orlichem.co.za/contact

LIQUID DETERGENTS

Our liquid detergents are designed to deliver outstanding cleaning performance and exceptional fabric care. They effectively remove dirt, stains, and odours while maintaining the integrity and softness of the fabrics. Our liquid detergents are highly concentrated, providing excellent value for money and minimizing packaging waste. Count on our liquid detergents to deliver exceptional cleanliness and freshness to your linens and garments.

AQUATERGE ULTRA

Liquid, low dose, eco-friendly pH-neutral detergent. Excels in low-temp washing.

5LT, 25LT, 200LT

ALKA-TERGE CONC

A powerful and highly alkaline liquid detergent for tough stains, ideal for all laundry types and water conditions.

25LT / 200LT

ECOZYME

Powerful enzymatic detergent with a fresh citrus aroma. Ideal for guest laundry.

5LT, 25LT, 200LT

AQUA-WASH

Surfactant-rich, detergent booster additive formula for removing stains. Use in hot or cold wash cycles.

5LT, 25LT, 200LT

POWDER DETERGENTS

For customers who prefer the convenience and versatility of powder detergents, we offer high-quality options that excel in cleaning performance. Our extensive range of powder detergents effectively lift and remove dirt and stains, providing excellent results even in challenging laundry conditions. They are suitable for use in both commercial and domestic laundry machines, delivering consistent cleanliness and freshness.

ATOM WASH

General small laundry, guest house, home, and lodge washing powder with a pleasant fragrance, whitening, and odour control. To be used with Atom Soft.

5KG, 25KG

BIO-TREND

Advanced biodegradable laundry detergent for industrial and larger laundries. Contains enzyme technology for vibrant fabrics.

5KG, 25KG

PREMIER

Colour-safe laundry powder cleans and brightens white and coloured fabrics. Used in hotels, hospitals, and catering.

5KG, 25KG

1044 POWDER

Low-foaming, highly alkaline detergent for large hospital, industrial, and autodose facilities. Effective and stable under various conditions.

5KG, 25KG

PRISTINE SUPER

Multi-temp highly enzymatic detergent for removing protein stains in food, hotel, and hospital environments. Keeps fabrics vibrant.

5KG, 25KG

PLEASE NOTE: You may request TDS & SDS from www.orlichem.co.za/contact

SPECIAL TREATMENTS

Certain fabrics require specialized care to maintain their quality and longevity. Our special treatment solutions are designed to address specific challenges, such as delicate fabrics, high water hardness, or stubborn stains. From colour-safe treatments to enzyme-based solutions, our special treatment products cater to diverse laundry needs, ensuring optimal care and longevity for your textiles.

HAEMOZYME

Complex sluicing powder to remove peptides and proteins like blood and oils in hospitals and hotels.

25KG

MAGIC STRIP

Powerful white linen stain remover. Removes dye marks and organic stains. Best used in hot bath soaking.

5KG, 25KG

PROCESS OA

Iron and rust stain remover. Avoid metalized fibres. Use with BIO-TREND or ULTRASUDS.

5KG, 25KG

SPOTTERS

Quick and effective stain removal is crucial in maintaining the quality of your linens and garments. Our spotters are specially formulated to target and remove a wide range of stains, including oil, grease, ink, and food spills. With our spotters, you can tackle stains promptly and efficiently, ensuring that your textiles remain spotless and presentable.

GPO

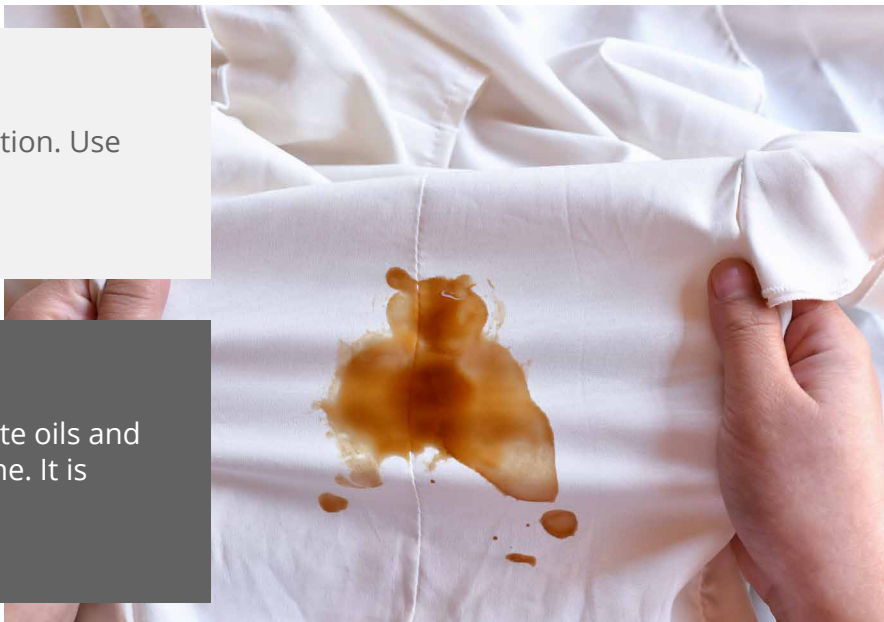

Instant oil stain treatment. Easy application. Use gloves.

5LT, 25LT

POLYTERGE

Cleaning detergent designed to eliminate oils and stains from linen in the washing machine. It is effective in both hot and cold water.

5LT, 25LT

RUSTEX

Rustex is formulated for removing rust marks and rust stains on garments, linens, curtains, or carpets.

5LT, 25LT

VANQUISH

UN2922

Multi-purpose stain remover used as a pre-treatment stain removing liquid. It assists the laundry detergent in effectively removing and dispersing all traces of organic marks and stains from white or coloured fabrics during the wash process.

5LT, 25LT

INK SPOT

Ink spot remover for pen, marker, and dye marks. Used in pre-spotting.

5LT, 25LT
