Dear Reader,

Orlichem Real Chemical Solutions has been in business with Milkwood Deli/Sunbird Restaurant since launch and we have never had any problems or complaints. Always left impressed and satisfied with their product quality.

We use a total of 6 products for both our kitchens at Atlantic Beach. The ordering of products is very easy while delivery is always on time. When doing orders, the Technical Sales Representative is always available to assist and resolve any queries.

As we also have two other restaurants situated nearby, Orlichem is also supplying them, seeing to all our needs when it comes to the different types of chemicals and equipment cleaners needed.

We would definitely refer Orlichem Real Chemical Solutions to businesses in need of these type of products.

Yours sincerely,

Megan Pearl Johnson
