

BIDVEST LAUNDRY WESTERN CAPE TESTIMONIAL

I am writing to highly recommend Orlichem as an industrial laundry chemical supplier of the highest caliber. Over the past 6 years that we have been doing business with Orlichem, our experience has consistently exceeded expectations.

Orlichem offers a competitive and budget-friendly pricing model. Throughout our association, we've found their rates to be exceptionally reasonable, providing outstanding value for the price. The reasonable pricing strategy from Orlichem has enabled us to uphold a high service standard while effectively managing operational costs.

Every interaction with the Orlichem team has been marked by professionalism. They process orders with efficiency, ensuring timely deliveries, and their customer service team is always proactive, addressing any queries or concerns. Their commitment to maintaining a seamless working relationship is evident and much appreciated.

Of particular note is Orlichem's profound knowledge of industrial laundry chemicals and related equipment. On numerous occasions, they have provided invaluable advice on the most suitable chemicals for specific applications, ensuring not only optimal results but also environmental sustainability. This deep expertise has significantly elevated the quality of our services.

In conclusion, I wholeheartedly endorse Orlichem to any organization seeking a reliable and knowledgeable industrial laundry chemical supplier. Their blend of competitive pricing, professionalism, and industry knowledge makes them a cornerstone of our operations.
